# Credit Union Representative Memo

**We hope you had a great summer!**

We appreciate your involvement in the Education Credit Union by serving as a link between the credit union and the staff at your school/location/department. Should you have any questions, concerns or comments, please feel free to contact me.

Please visit our website to view the September edition of the Quarterly Newsletter:  
[http://www.ecusolutions.com/\\_documents/quarterly\\_reports/sept06.pdf](http://www.ecusolutions.com/_documents/quarterly_reports/sept06.pdf)

**Please post the enclosed posters detailing our online contest to win a \$500 RESP!**

We are excited about the coming year. We will be proceeding with a number of initiatives including:

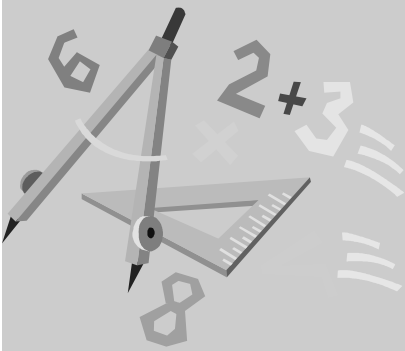

- **A new branch in Waterloo**
- **Member Referral Rewards**
- **The Annual General Meeting in November**
- **..... And much, much more!**

We need your email address! We'd like to be able to instantly inform you of credit union news and give you access to our rep section of the website. Please let us know your address by sending an email to michelles@ecusolutions.com or through the courier system.

Thank you for your assistance this year. Much of our success can be attributed to word-of-mouth and our CU Representative system is the cornerstone of our communication network within the educational system.

We look forward to working with you this school year!
